Dear Communities of Interest,

We hope that this letter finds you well. We are sending this notification to inform you that the on-site evaluation of the RN-BSN program by the Commission on Collegiate Nursing Education (CCNE) is scheduled for November 5, 2025. The date is approaching quickly and we would like to extend the opportunity for you to submit your feedback on the program.

In the CCNE accreditation process, there is opportunity for program constituents and other interested parties to submit, in writing, comments regarding a program's qualifications for accreditation. If you are interested in submitting a third-party comment, please do so by **October 15, 2025**. All comments should be sent directly to the following email, thirdpartycomments@ccneaccreditation.org. All third party comments submitted to CCNE must be written in English, consistent with CCNE's policy on Conduct of Business in English.

We encourage you to send your comments on your experiences of the baccalaureate program here at the Marsha Fuerst School of Nursing. The evaluators will consider your feedback during our on-site evaluation for CCNE. Please help share all of your experiences with our future evaluators so that we can help reach our prestigious goal of CCNE accreditation.

Sincerely,

Dr. Gloria Blatti

Executive Dean of Nursing

Dr. Molly Hahm

Program Director of the RN-BSN Program
